- ✓ Save more on optional services

Drive your business with FleetCard™

Tax compliance made easy

Get one ATO compliant tax invoice for your account. Sync with your Xero accounting software with our integration tools.

Convenient reporting

Access detailed fleet reports anytime, anywhere. Track vehicle exceptions, analysis, transactions, and driver behaviour to spot unusual spending and keep your fleet efficient and compliant.

FleetCard portal

Login anytime to manage your vehicles. Keep accounts secure with pins for Shell, 7-Eleven, EG, and Ampol, and easily order or cancel cards, set transaction limits, and control fuel types.

Optional key features and services

Tailor your FleetCard with smart add-ons like Roadside Assistance, Tolls, vehicle repairs, and more to suit your business needs.

Fuel up almost anywhere

FleetCard is accepted at over 90% of Australian fuel sites, more than 6,100 locations nationwide.

Add EV Charging

Access 2,200+ Chargefox stations nationwide. Track fuel and EV expenses on one card, saving time, reducing admin, and keeping your fleet moving.

Power up your fleet insights

Connect your FleetCard with trusted telematics partners like WHG or Verizon to detect fuel fraud, unusual usage, and early mechanical issues. Track carbon footprint, simplify fuel tax claims, and get real-time vehicle insights.

Non-fuel partner card acceptance

From Xero integration to tyres, auto glass, servicing, and more, FleetCard gives your fleet access to the essential services it relies on.
